Dear Bill,

Thank you for connecting our residents to Life Wireless's cell phone program. It may seem like such a simple thing to be able to place and receive calls, but when you are homeless and desperately trying to stabilize your family's life, having access to a reliable phone service is essential. Thank you so much for partnering with us to support these women.

For more information about our programs visit our website at www.ascensionplaceinc.org or email me at juliannajanssen@stannesplace.org.

Sincerely,

Julianna Janssen

Thank you!
