Mr. Ernest E. Perry  
National Sales Manager

Dear Mr. Perry:

The **ACTION Outreach Mission of Wheat Street Baptist Church** is so thankful for the blessings **LIFE WIRELESS** bestowed on the hundreds of men and women through our outreach ministry program with the **FREE CELL PHONES** during the last two weeks.

This was truly an added blessing in addition to our meal and the scripture message delivered each week. My sermon to them two weeks ago was "God told me that you are next in line for a miracle." Your program was god's hands, you brought the miracle.

Many souls have been blessed with your Life Line Cell Phone Service!

Deacon Early Rosser will be sending you a formal letter of thanks for your generous financial contribution towards our "Meal Ministry", which allows feed not only the spirit with the Word of God by also feed the body with a nutritious meal.

Thanks!

God bless those who bless others...
